Needle and nylon thread

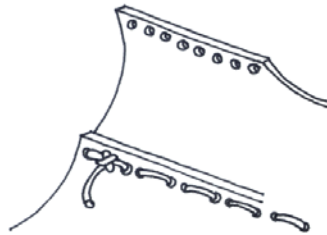

Stitching Instructions

Step 1: Start by stitching through the first two holes, then back tack and make a knot.

Step 2: Stitch through the remaining holes until reaching the last hole.

Step 3: Tie a knot on the underside as shown above. Cut off any excess thread.

Assembly Instructions

Step 1: Stitch the upper back to the lower back taking care to align the holes properly as shown in Figure 2.

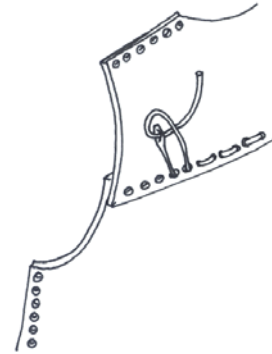

Figure 1

Step 2: Stitch the front panels to the upper back starting with the shoulders as shown in Figures 2 and 3.

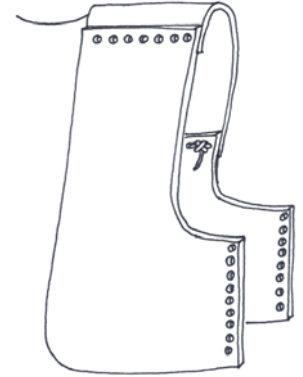

Figure 2

Note: The front panels are interchangeable. Minor imperfections in the leather may exist, so choose the best side to be outward facing.

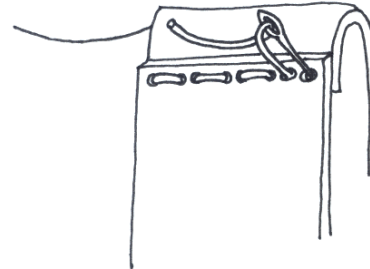

Figure 3

Step 3: Stitch the front panels to the lower back panel by laying the front over the back panel as shown in Figure 5.
